 REGISTER NOW! FINAL NOTICE

\*\*\*\*\*

There are only 10 spots left so register now with Sheila Krenz  
[stkrenz@shaw.ca](mailto:stkrenz@shaw.ca) if you plan to attend the seminar.

Program: A full day of presentations and interactive workshop sessions devoted to Project Management Training, Education, and Development. This update notice provides detailed information on the presentations and workshops planned for the day.

Fundamentals of Training Design and Development: Rob Clark, PMP.  
 Developing training in project management using the Instructional Systems Design model. The presentation will also cover instructional techniques and a learner-centered approach to designing training, which accommodates different learning styles.

Integrating and Measuring Earned Value: A PMO perspective.  
 Susan Mogan, PMP. This workshop engages the group in answering the question of how program management offices should teach an organization to understand and use earned value performance measurement. The questions addressed will include how to ensure that all project teams understand what earned value is, how to facilitate its integration within an organization, and how to measure it.

Developing Project Managers: Susan Read, PMP. The PM development program at ICBC.

Integrating Fundamental PM Competencies With Team Leadership:  
 Maria Patten, PMP and Brian Zeiner. A proactive approach to managing team roles in order to translate project goals into reality.

Working In Difficult Environments: Catherine Thompson

ABOUT THE SOCIETY - WEBSITE ADDRESS

\*\*\*\*\*  
The Society of PM Professionals is a voluntary, democratic organization of PMP@s in the Greater Vancouver area, who are dedicated to the achievement of their common purposes in the profession through mutual support, co-operation, and collective effort.

There are approximately 250 PMP@s in the Vancouver area who receive notices of Society events.

The Society holds at least three Professional Development Seminars in Vancouver each year.

The Professional Development Seminars feature technical presentations and workshop facilitation by PMP@s for the purpose of continuing professional development. The seminar is intended for PMP@s. However, a PMP@ may invite guests who are committed to the advancement of the Profession. Practitioners who plan to become certified as PMP@s are welcome in particular.
