JUNE/JULY, 2004 NEXT PD SEMINAR  
DESIGN/BUILD PROJECTS IN INTERNATIONAL SETTINGS  
EIGHTEENTH PM PROFESSIONAL DAY  
DATE TO BE CONFIRMED

\*\*\*\*\*

We have just received a volunteer to manage a seminar in the June/July timeframe on the theme of Design/Build Projects in International Settings. Sandro Papile, PMP will be the Project Manager for the event. Please contact Sandro at [spapile@telus.net](mailto:spapile@telus.net) to present or volunteer for this event.

The seminar date will be set in the next week or two, once we have confirmed the availability of presenters.

There is room in the 2004 program for at least one additional seminar.

We have still seeking a Project Manager for a seminar on the theme of Failed and Challenged Projects, or a theme of the PM's choosing. Several PMPs have already indicated an interest in presenting under this theme.

There is considerable flexibility on the seminar date. We currently have seminars planned for October and November, 2004. We aim for the fourth Wednesday of the month.

Volunteers should contact Lucy Guest [lguestvanpmps@telus.net](mailto:lguestvanpmps@telus.net) (604) 790-6599

I look forward to meeting the participants on April 28th.
