FEBRUARY 22, 2005 PD SEMINAR
 DELIVERING SYSTEMS PROJECTS
 22ND PM PROFESSIONAL DAY SOLD OUT!

Our April 27th seminar on Delivering Systems Projects is sold out! Project Manager Stacey Cerniuk, PMP has put together an impressive program of presentations and workshops. Contact scerniuk@annexgroup.com

We received a flood of registration applications immediately after the notice was issued on March 25, 2005. By noon on March 30th all 50 available seats were filled, and there were at least 50 names on the waiting list.

Clearly, there is an enormous, and rapidly growing, demand for professional development opportunities among PMPs in the Vancouver area. The program for April 27 has attracted great interest. The Executive of the Society is considering options which would allow the Society to provide more such opportunities. One of the options under review is the possibility of repeating a seminar program in its entirety on another date.

If you are a confirmed registrant for this event, and find that you cannot attend, be sure to contact Seminar Registration Manager, Michael Vande Guchte, PMP at mikevg@radiant.net so that your seat can be given to a person on the waitlist. The deadline for cancellations is midnight Friday April 22, 2005. If you do not cancel by this time, you will be responsible for the registration fee.

STRICTLY VOLUNTEER - YOUR
ROLE IN THE SOCIETY

The Society is based on the principle that we learn from each other, and each of us has valuable experience to share, or facilitation and management skills to contribute.

Unless a volunteer Project Manager steps forward from the ranks of the local PMPs, a seminar does not proceed.

We do have volunteer PMP presenters and workshop leaders for the remaining seminars, but more are needed. Each PMP is a candidate for any of the roles on a seminar.

In addition to the Project Manager, these are the roles on the management team for each seminar. Additional volunteers are invited for all. One person may be asked to do two or more jobs:

- Technical Program
- Binder Co-ordination
- Facilities and Food
- Registration and Collection
- Evaluation Report
