CALL FOR VOLUNTEER PRESENTERS AND  
MANAGEMENT TEAMS - 2008 PROGRAM  
\*\*\*\*\*

At the November 21 Seminar, a workshop session will be devoted to planning a program of professional development events for 2008. As input to the workshop, we would like to identify in advance a slate of potential presenters, workshop leaders, and management team volunteers. Please advise us of your availability and willingness to serve. Contact the workshop leader Walter Wawruck, PMP [wawruck@intouch.bc.ca](mailto:wawruck@intouch.bc.ca).

The Society is based on the principle that we learn from each other, and each of us has valuable experience to share, or facilitation and management skills to contribute.

Each PMP is a candidate for any of the roles on a seminar.

Unless a volunteer Project Manager steps forward from the ranks of the local PMPs, a seminar does not proceed.

In addition to technical presenters, workshop leaders, and the Project Manager, these are the roles on the management team for each seminar. Additional volunteers are invited for all. One person may be asked to do two or more jobs:

- Technical Program
- Binder Co-ordination
- Facilities and Food
- Registration and Collection
- Evaluation Report

ABOUT THE SOCIETY - WEBSITE ADDRESS

The Society of PM Professionals is a voluntary, democratic organization of PMP@s in the Greater Vancouver area, who are dedicated to the achievement of their common purposes in the profession through mutual support, co-operation, and collective effort.

There are more than 450 PMP@s in the Vancouver area who receive notices of Society events.

The Society holds at least three Professional Development Seminars in Vancouver each year.

The Professional Development Seminars feature technical presentations and workshop facilitation by PMP@s for the purpose of continuing professional development. The seminar is intended for PMP@s. However, a PMP@ may invite guests who are committed to the advancement of the Profession. Practitioners who plan to become certified as PMP@s are welcome in particular.
